

Your story

Three important stories

His story

Ask questions and try to get to know him. Listen!

Your story (= your testimony)

How has God changed your life?

God's story (= the gospel)

What is God's plan for this world?

Why should I share my story?

- nobody can deny your personal experience
- shows how great God is
- perfect for making people interested
→ bridge for sharing the gospel afterwards

Important:

- short + simple (250 words / 3 minutes max; 1-2 minutes is even better)
- doesn't need to contain all aspects of your spiritual journey

Outline:

1. Before...
 - explain a negative aspect of your life
2. How God changed your life...
 - how you made a decision / your life changed
3. After...
 - explain a positive aspect of your life where God has changed you (in comparison to before)
